

Attorney

Jacobs, Burns, Orlove & Hernandez LLP has been practicing law in Chicago, Illinois for nearly a century, representing labor unions, public and private sector employee benefit plans, and individual employees. We're looking for an attorney to join us to work in all aspects of our practice.

We prefer prior experience in labor law or employee benefits, and we expect candidates to be willing and able to learn all areas of our practice, to be good writers, researchers, communicators, advocates, and colleagues, and to be genuinely committed to working people, labor unions, and employee benefit plans.

We offer a competitive salary, generous retirement, health, and other benefits, a small, flexible, collegial work environment, and, if we do say so ourselves, great colleagues and clients.

We remain committed to fostering diversity and inclusion and encourage applicants from all backgrounds. If you're interested, please send your cover letter, resume, writing sample, and references to David Huffman-Gottschling at davidhg@jbosh.com.
