

**CONFIDENTIAL AND ATTORNEY-CLIENT
PRIVILEGED MEMORANDUM FOR
POTENTIAL ENGAGEMENT OF COUNSEL**

TO: PROSPECTIVE COUNSEL

FROM: LOS ANGELES CITY ATTORNEY'S OFFICE

DATE: February 7, 2020

RE: REQUEST FOR PROPOSALS FOR OUTSIDE FIDUCIARY COUNSEL

1.0 PROPOSAL

The Public Pensions General Counsel Division of the City Attorney's Office is general counsel to the City's three independent pension plans: the Los Angeles City Employees' Retirement System (LACERS), the Los Angeles Fire and Police Pensions plan (LAFPP), and the Water and Power Employees' Retirement Plan (WPERP), (together, the Plans). Collectively, the Plans' boards serve as trustees for over \$55 billion in trust fund assets and administer retirement, disability, and health benefits for tens of thousands of Los Angeles City retirees and their beneficiaries.

Under the Los Angeles City Charter, the City Attorney serves as the sole legal advisor to the City, and to all City boards, departments, officers and entities. The City Attorney's Office is soliciting proposals from qualified law firms to assist the City Attorney's Office in providing specialized legal services to the Plans and their respective boards in the area of fiduciary law. Additionally, the selected firms would be qualified to serve as independent conflict counsel to the Plans in a specific matter in the event the City Attorney were to identify a conflict of interest pursuant to applicable professional and ethical obligations, including the California Rules of Professional Conduct.

Counsel must have significant experience and expertise in California and federal law governing the fiduciary responsibilities of public pension plans and their boards of trustees; this expertise should include ancillary subject matter relevant to public agencies, such as insurance law, business disputes, and defenses and immunities. Additionally, to serve effectively as independent conflict counsel in a future matter in which the City Attorney makes a conflict determination, it is highly desirable for counsel to have relevant experience in the fundamental areas relevant to California public pension plans, including: government ethics and conflicts of interest, public agency contracts and procurement, California municipal law, disability pensions, writs of mandate and administrative hearings, and California family law.

Counsel must have exemplary communication skills and be able to provide requested legal services on a time-sensitive basis. Counsel must also have experience in advising

government agencies, including providing public advice to legislative bodies at open meetings. Finally, counsel must have experience representing government agencies in state and federal court through all phases and manner of litigation and appeals.

Both small and large firms with competitive rates are encouraged to apply.

Only written proposals will be considered. All submitted materials shall become part of the proposal, and may be incorporated in a subsequent contract between the selected proposer and the City of Los Angeles (City), a municipal corporation, acting through the Office of the City Attorney (City Attorney), and by order and through the Board of Administration of the LACERS, the Board of Fire and Police Pension Commissioners, and/or the Board of Administration of the WPERP, as applicable.

5.0 CONFIDENTIALITY

The information in this RFP is intended to be and shall be regarded as an attorney-client privileged communication. The City Attorney's Office contemplates that this communication will be received in confidence and will be securely maintained by the recipient in full conformance with attorney-client privilege and the holding in Benge v. Superior Court (1982) which states as follows:

“...there is no requirement that the attorney actually be employed in order to create an attorney client relationship. Evidence Code section 951 states that prevailing view that a person may discuss a potential legal problem with an attorney for purposes of obtaining advice or representation and statements made are privileged whether or not actual employment ensues.” (citations omitted) Benge v. The information set forth in this RFP is confidential and is intended only for use by the prospective firm to assist in the selection process by the City Attorney's Office in connection with the firm's proposal for the potential formation of a legal services contract between the prospective firm and the City Attorney's Office. Should a firm receiving this information determine that it represents a party which is adverse to the City of Los Angeles or any of its departments, either proprietary or non-proprietary, or should any receiving firm determine that it otherwise possesses any actual or potential conflict of interest, it is requested that the confidentiality of this memorandum be strictly maintained and that all copies of the RFP in the possession of any such firm be immediately returned to the address set forth at the conclusion of this RFP.

Should any attorney or firm receiving this RFP reasonably believe that a waivable potential conflict may exist by reason of its representation of some other entity, the Los Angeles City Attorney's Office requests that this RFP not be shared with any other represented entity, and if question exists regarding potential conflict of interest pursuant to Rule 3-310 of the California Rules of Professional Conduct, that the firm scrupulously

observe the requirements of Section 6068(e) of the California Business and Professions Code and uncompromisingly maintain fully confidentiality of this document. For purposes of identifying any actual or prospective conflicts of interest, the City is to be deemed one client. Any questions in connection with issues of conflicts of interest should be addressed to Anne Haley at anne.haley@lacity.org.

Firms awarded a contract pursuant to this RFP will be required to enter into a written contract with the City approved as to form by the City Attorney. If a proposer does not have an E-mail address, please provide a postal address for this purpose.

All responses received by the City will be considered public records subject to disclosure under the Public Records Act. (California Government Code Section 6250 et seq.) Because the material is intended to be and shall be regarded as an attorney-client privileged communication, it is exempt from disclosure under the Public Records Act. In the event that the City is required to claim such an exemption in response to a CPRA demand, the proposer must state in the proposal that the proposer will defend any action brought

against the City for its refusal to disclose such material, trade secret, or other proprietary information to any party making such a request. **The proposer is required to state in the proposal that: “The proposer will indemnify the City or Agency and hold it harmless from any claim or liability and defend any action brought against the City of Los Angeles for its refusal to disclose copyrighted material, trade secrets, or other proprietary information to any persons making a request therefore.”**

Proposer’s obligations herein include, but are not limited to, all attorney’s fees (both in house and outside counsel), costs of litigation incurred by the City or its attorneys (including all actual costs incurred by the City, not merely those costs recoverable by a prevailing party, and specifically including costs of experts and consultants) as well as all damages or liability or any nature whatsoever arising out of any such suits, claims, and causes of action brought against the City, through and including any appellate proceedings. Proposer’s obligations to the City under this indemnification provision shall be due and payable on a monthly, on-going basis within thirty (30) days after each submission to Proposer of the City’s invoices for all fees and costs incurred by the City, as well as all damages or liability of any nature.

- n) Upon completion of all work under this contract, ownership and title of all reports, documents, plans, drawings, specifications, and estimates produced as part of this contract will automatically be vested in the City of Los Angeles, and no further agreement will be necessary to transfer ownership to any City agency. Copies made for the contractor’s records shall not be furnished to others without written authorization from the City Attorney.
- o) Any contract awarded pursuant to this RFP is subject to the Contractor Evaluation Ordinance, Los Angeles Administrative Code Section 10.39, which requires awarding authorities to evaluate contractor’s performance and retain such evaluative information in a data bank for future reference.
- p) The contract awarded from this RFP is expected to begin in June 2020 and last up to three years.
- q) The City may award a contract on the basis of proposals submitted, without discussions, or may negotiate further with those proposers within a competitive range. **Proposals should be submitted on the most favorable terms the proposer can provide.**

13.0 BIDDER CONTRIBUTIONS – CITY CHARTER SECTION 470(c)(12)

Persons who submit a response to this solicitation (bidders) are subject to Charter section 470(c)(12) and related ordinances. As a result, bidders may not make campaign contributions to and or engage in fundraising for certain elected City officials or candidates for elected City office from the time they submit the response until either the contract is approved or, for successful bidders, 12 months after the contract is signed. The bidder's principals and subcontractors performing \$100,000 or more in work on the contract, as well as the principals of those subcontractors, are also subject to the same limitations on campaign contributions and fundraising.

Bidders must submit CEC Form 50 and CEC Form 55 (available on LABAVN.org) to the awarding authority at the same time the response is submitted. The form requires bidders to identify their principals, their subcontractors performing \$100,000 or more in work on the contract, and the principals of those subcontractors. Bidders must also notify their principals and subcontractors in writing of the restrictions and include the notice in contracts with subcontractors. Responses submitted without a completed CEC Form 55 shall be deemed nonresponsive. Bidders who fail to comply with City law may be subject to penalties, termination of contract, and debarment. Additional information regarding these restrictions and requirements may be obtained from the City Ethics Commission at (213) 978-1960 or ethics.lacity.org.
